IT CONFIGURATION SERVICES

Introduction

- Acordis has been providing IT configuration services for several of its customer base for the past couple of years, especially Carnival Cruise Lines' operations, revitalizations, and new-build projects since 2013.

- In 2020 Acordis International invested $400,000 to build a dedicated IT Configuration Center for the growing numbers of Newbuilds and Revitalization projects from Carnival Cruise Lines and Royal Caribbean, and other IT projects from clients like Club Med, City of Miramar, Gaumard Scientific, Palm Medical, and Lee County Port Authority.

IT CONFIGURATION CENTER

Technical Details

- 990 square feet dedicated solely for the IT Configuration Center with secured loading center
- 12 Data Center Cabinets equipped to handle efficient power requirements
- Rackmount, Preconfigured/stage hardware
- Two Staging Rooms capable of facilitating multiple projects at a time
- Secure VPN Tunnel to any client for remote access and configuration with dedicated data circuits
- 24/7 Power with backup generator

Benefits

- Local to South Florida customers
- Accessible 24/7
- Significant savings on travel and shipping cost to other IT Config Centers of out of state.
- 24,850 square foot warehouse space to hold hardware
- Room to expand the configuration space if needed
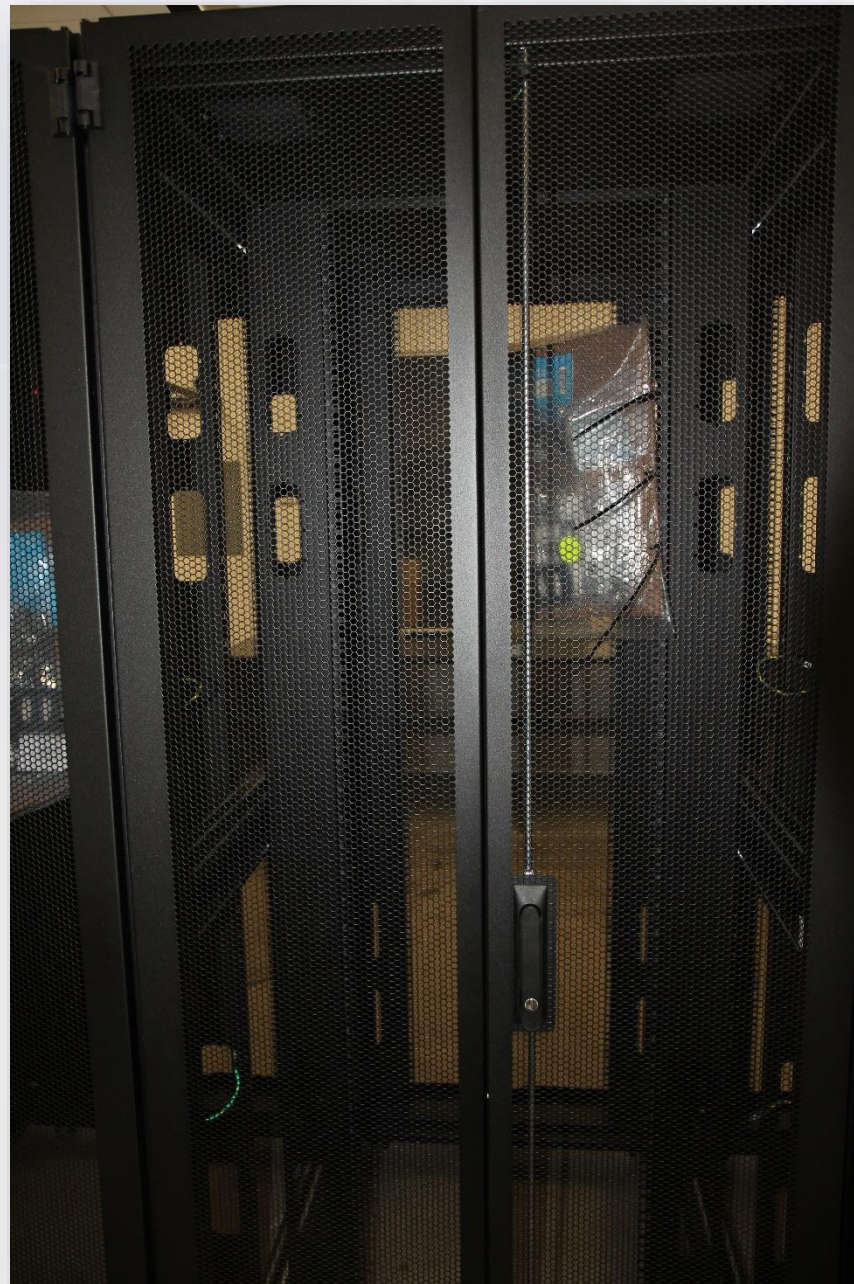

Staging Area – Room 1

Staging Area – Room 2
